U6/Kangaroos vs. **Emus** **Round: 2**

The U6 Kangaroos eagerly took the field after a week of frustration with the wet weather. All players played wonderfully well; were supportive of each other and played as a team. Most importantly of all, each had fun on the paddock and all look forward to the next game. The first goal of the season for the U6 Kangaroos was scored by Ethan Grace who powerfully struck a ball from 10m out. After scoring, the smiles on the players were as wide as the Harbour Bridge and from that moment on each seemed to relax and enjoy the game even more. The teams were split into two teams of 4 with both teams taking on the U6 Emus: Grantly, Amelia, Baxter, and Zakaria were on 1 team and Zachary, Ethan, Marcus and Mia on the other. The Encouragement Award was given to Zakaria; the weekly trophy to Ethan.

U6/Kookaburras vs. **Kingfishers** **Round: 2**

What a great start to the game of soccer by our U6's. After a bit of confusion over the teams at the beginning the kids sorted out very quickly which way to run and showed determination in trying to score goals and also defend. We were very pleased to see them already showing skills that they have learned at training. Our players of the week went to Jacob and Ellie. Well done everyone.

U7/Knights vs. **Stallions** **Round: 2**

Good Game, considering we had only 8 players. The lads played well, with goals from Alex (4), Oscar and Callum capping off a display of courage against a team that had 10 players. The trophy went to Alex for his great four goals and the McDonalds Encouragement Award to Nicholas who gave his all. With our full team we'll be a force to be reckoned with. Go the Mighty Knights!!!!

U7/Stallions vs. **Knights** **Round: 2**

What a terrific first game. Loads of passing, and lots of running by the whole team. Goals went to Chris, Alex, Lauren, Samuel, Lindsay, Aaron, and Colby. The trophy went to Lauren and the certificate went to Aaron.

The whole team should be so proud of themselves. Everyone on the field played their best. Keep up the good work Stallions and looking forward to a great season for 2009. GO STALLIONS!!!!!!

U8/Galaxy **6** vs. **Rapids** **2** **Round: 2**

With a unfortunate WASH OUT in round 1 our boys were very keen to play this week. We'd firstly like to thank the U8 Rapids for a good game. Our boys were a little over come with the larger pitch however all in all enjoyed the new experience. This weeks Player of the week was awarded to James Lockwood for his constant efforts in attacking and defending, Well Done James. We awarded the encouragement award to Bailey Liddicoat for playing a great defensive game, keeping the ball out of our half. Special mention to goal scorers Connor, Joshua and Joseph. Good goal keeping Kieren, Luke and Jaedon. Blayke Nathan M & Nathan D also had a good game. Well Done boys good effort for the first game. We eargly await our next game, you made us all proud. GO GALAXY

U8/Jets **1** vs. **Mariners** **3** **Round: 2**

The first game of the season and the boys put in an excellent team effort. The boys were surprised by the step up to the bigger field, but never stopped running all day. There were some excellent passing, lots of good dribbling and some nice touches put on display by all. We came back from a goal down with a great effort by Luca. The whole team should be proud of their efforts. The player of the week went to Ethan. Keep up the good work boys.

U9/ 2 **0** vs. **Auburn District** **0** **Round: 1**

A fantastic effort by the whole team. Having controlled almost 90% of the match we were unfortunately unable to secure a goal. Some exciting saves by Auburn's Goal Keeper kept them in the match. The passing and positoning were a major improvement and there was alot of enthusiasm in defence also. It was very difficult to pick a Man of the Match due to the great involvement by the whole team but Harrison was certainly a worthy winner with his great participation and teamwork throughout the match

Thanks to all the Parents and the coach/Manager for the great support also

U9/ 3 **1** vs. **Dundas** **2** **Round: 1**

Great game played by all 9 players.

They put everything into the game to be 1-1 at half time but two players down proved to hard at the end.

Encouragement award to Patrick for his constant attack and defence and a great team goal finished off by Jesse who took home the trophy.

U9/ 6 **2** vs. **Guildford County** **3** **Round: 1**

A great team performance especially for the first game. We came back from a goal down twice which showed great heart. Goals were scored by Karla and Josh G and some great defense by Harry and Josh C. A good start to the season and were unlucky not to get the draw. Thanks to all the supporters and we look forward to next weeks game.

U10/ 2 **2** **vs.** **Lidcombe Waratah** **4** **Round: 1**

Very good result seeing we played with only 8 players

U10/ 3 **1** **vs.** **Baulkham Hills** **2** **Round: 1**

A very gutsy performance from all our boys. We were always going to be disadvantaged with only 10 players and the 10 min with only 9 players compounded the pressure on all players. But our team is made up of tough and ready style players who fight to the end, and that is exactly what we witnessed. 2 nil down at half time was a big ask, but we came back stronger and more determined in the second. We got one back with great teamwork and determination. We were unlucky not to get another couple, but a spirited performance by all the players. Well done team. The result of 2-1 is great under the circumstances and we are endeavouring to have it corrected on the Granville Website. Great teamwork and unity from a group of boys which I am sure will develop stronger as the season progresses. Go Kolts

U11/ 1 **2** **vs.** **Parramatta City** **1** **Round: 1**

Well the big day finally arrived, but it didn't start well. 3min into the game, we were caught off guard & found ourselves a goal down. But the boys dug in & started to play the game, showing what they had. Got a goal back after a great corner from Jordan, placed into the back of the net by Cameron, 2nd goal coming from Brock. There were tense moments in our defence & missed opportunities up front, but this gives us areas to work on at training. We have great players with great kicking ability, but at training when under no pressure, we need to find the target, as this proves even harder when in a real game. We will improve in ability & confidence with more practise. Man of Match went to Caine who played strong & solid as stopper, covering well for defence. Well done boys, deserved win.

U11/ 6 2 vs. Norwest Cougars 2 Round: 1

Our first competitive match started well with 11 players in attendance we over ran the opposition and Jordan Gregan opened his account for the season with a powerful strike into the roof of the net quickly followed was Jerome Andaya's first strike with a low powerful shot into the onion bag. It was a game of 2 halves and we tired in the second half allowing the cougars to get 2 goals back however we had many chances to take all the points but a draw was the final result. The team worked well for each other, all of the players were enthusiastic and approached the game with a great attitude and are looking forward to the next match!

U12/ 1 5 vs. Dundas 1 Round: 1

A great start to the new season with a win against a long running formidable opponent. KK scored the first goal and was shortly matched by Dundas. At half time we had scored again to make it a 2-1 score. Second half showed that KK came into their own with 3 more beautifully crafted goals making it very hard for Dundas to come back. The boys showed that they have listened well at training and to their coaches. Dundas is always a great team to play and the final score does not reflect how good an opposition they were. The general feeling at the game was of great sportsmanship with parents and spectators enjoying a good clean game of football. Great goals by Blake, Jaz, Zaco x 2 and Lachie. MOM went to Jarrod for his brilliant effort throughout the whole game. Well done boys! Keep up the great work with some really challenging games coming up....

U13/ 3 2 vs. Wentworthville Uniting Church 7 Round: 1

The boys started the game off flat footed. I couple of blinks of the eyes and the score card was going the wrong way! High hopes were shattered for a first round win and the church team from Wenty were 4 goals to 1 ahead after the first half. Some great determination by Luke, Thomas and Chad and of course a great finish by Lachlan. Second half was only a fraction better. Blake who looked like the energiser bunny, found support when he needed it but Nick and Thomas couldn't finish. Zac scored when playing on the wing and Thomas had some brilliant saves while having 10 minutes as keeper. Some work to do in defence, boys.

U14 Girls/ 2 4 vs. Castle Hill RSL 1 Round: 1

A great start to the season for the U14 Girls who defeated Castle Hill RSL 4-1. It was a great team performance with everyone contributing and trying their hardest for the entire game. Kellyville dominated possession and field position for the entire game. The highlight was a 15 minute period in the second half when the girls had to fight into a strong headwind and rain. During this time the opposition hardly managed to get into our half despite the gale at their backs. Lara Forrest and Liz Murray scored the goals.

U16 Girls/ 2 2 vs. North Rocks 0 Round: 1

Great First game by all the girls! Everyone played well together with 1 goal by Aideen and another by Kristina. All the girls worked well together and hopefully more great games to come.

Jo.

AAL/ 4 2 vs. Winston Hills 2 Round: 1

A great effort and result for week one ladies. Played in weather conditions that covered every season during the 90 minutes it couldn't help but be a scrappy game, but we battled hard to get the break we needed. Well done to all our brand new players wearing the red and black stripes for the first time, you did us proud! Sam, glad you finished the game with your ankles and shins in tact, unfortunately you'll meet a few players during the comp like the friend you made Sunday!

AAM/ 5 1 vs. North Rocks 5 Round: 1

The score unfortunately didn't necessarily reflect the way we played. After conceding 3 goals against the run of play, we did well in an attempt to fight back, and nearly came close before our consistent attack left us too exposed at the back. It was good to see the determination to continue fighting even when the odds seemed against us. With more attendance at training from everyone in the team, perhaps we can shake off some the dust that led to the critical mistakes, start passing the ball around a bit more, and start putting some wins on the board! Special shoutout to Graham for a great performance, and Tomosoms for his wonderstrike which rattled the bar.

A great start to the season. Three good goals made for a tight game in the end. We did what was needed to get over the line. It was good to see a team who fight with each other more than we do!!! Seriously, we can improve from here.

O35/ 4 2 vs. **Wenty Waratah 0** **Round:**

O35/ 5 0 vs. **Lidcombe Waratah 3** **Round: 1**
Oh what could have been. We started strongly and probably had the better of the match for the first 20 minutes but unlike training we couldn't all just wander off and take a break at the same time. Strong work in defence from Michael and Grant and some top keeping from Andrew kept us in the game for a while but condition eventually caught up with us and we let Lidcombe stroll through midfield. At one stage Don took out his Navman to try to locate a support player, all to no avail. Object unknown!
A quick note for next week.
Fernando, a chip into an empty net does not need to rebound from the treetops.
Don, Air Traffic control does not need to register your free kicks.
Grant, Feet on the ground. Ball behind your head! You really don't get extra beers for the most foul throws. Would I Lie
