**U9/ 1                      1      vs.                      Greystanes                      2      Round: 2**

A good game by the whole team. The boys are training hard and this is starting to be seen in the games.

Marcus our captain for the week, played consistently well only narrowly missing his penalty kick. Mitchell as always worked well as goalie for the first half and some great tackles in the second. Cooper stood out as a great center. But our `Man of the Match' this week was Abhi for his great defence, awesome play making and tireless effort the whole match.

Well done boys.

**U9/ 6                      2      vs.                      Ermington United                      4      Round: 2**

With the bare 11 players we fought well again coming back from a goal down twice. With a little bit of luck the result could have been different. Goals were scored by Jake and Karla. Josh G played a great game in the middle with some excellent support from Logan. Well done Thomas for his increased involvement.

**U10/ 2                      0      vs.                      Castle Hill RSL                      3      Round: 2**

Poor effort by the boys they must learn to give it all

**U10/ 3                      1      vs.                      Auburn District                      1                      Round: 2**

This was a very entertaining match. Auburn are last years champions and we took the game to them in all parts of the field. Our defence was absolutely outstanding with Cameron,Joel,Josh &Joshua holding Auburn out with their attack in the first half. The goal scored by Auburn was conceived on the counter attack &Thomas was very unlucky not to stop the shot with a beautiful dive towards the ball. The boys came out more determined than ever in the second & we could all sense the equalizer coming with a beautiful cross from Jack with Cole & Dylan finishing off a great shot on their goal. Our midfield of Riley,Ethan,Andre,Lachlan was solid and created some very good passages of play. We were very unlucky not to come away with the win as we were finishing all over the top of our opponents with some fine team work starting from defence through to midfield and strikers. Our boys are a very determined team and they will fight until the last whistle and try & get a result. Believe in one another

**U10/ 6                      0      vs.                      North Rocks BLK                      14                      Round: 2**

**U11/ 1                      2      vs.                      Greystanes                      2                      Round: 2**

The boys played well today, but we had too many missed kicks & missed opportunities. We need to go back to basics & work together as a team. It takes 11 players to play the game & we need all 11 players to be actively involved ALL the time. After the game we need to make sure we can honestly say that we all gave 100%, no ball watching. We need to challenge 50/50 balls, we need to push balls wide & not towards our goals. We need to release EARLY boys, we are holding on too long, loosing the ball & putting ourselves under pressure. We need to clear at the back, no missed kicks. When up front, we need to finish when opportunities arise. More great corners from Jordan, Jason adding a finishing touch to one. Other goal came from a great solo run from Caine, fighting hard with his perseverance paying off & getting us the equalizer, great effort Caine. Man of the Match today went to Jason, he had a great game in the midfield, but we will have to return his strength to our backline next week.

**U11/ 2                      8      vs.                      Baulkham Hills                      3                      Round: 2**

A good performance given that it was our first game as we had a bye in Round 1. Good interchange between midfield and forwards particularly when we pushed the ball wide and got the ball into the middle as we troubled Baulkham Hills when we stretched them. Solid defence and hard working midfield allowed our forwards to create chances. We got off to an excellent start and led 3-0 at which point we seemed to ease up a bit and allowed Baulkham Hills to score 2 quick goals. A very strong second half allowed us to assert our authority and in the end it was a well deserved win. Goals were scored by Jai (2), Dominic (2), Sam, Brandon, Rahul and an own goal. Player of the match was Jai which was deserved with some excellent midfield play and he worked hard the whole game.

Well done boys and a very good start to the year.

Round 2 produced our first victory of the season! it was a difficult day with strong winds however the boys settled down quickly and started well scoring midway through the first half through Jordan Gregan striking the ball high beyond the keeper, 2 goals in 2 games for Jordan. All the boys gave 100% and played their part in the victory. We had a number of chances in the second half however we could not get the second goal and the game finished 1-0 and 4 points to the better. Best and fairest player went to Aiden Kearns who showed great tenacity and skill and our encouragement award went to Vithusan. Well done to all the boys!!

**U12/ 2**                    **3**    **vs.**                    **Parramatta City**                    **1**                    **Round: 2**

Parra started very strong with a couple of chances via some good football. Our U/12-2's held well with only 10 men. We conceded a goal 4 mins before half time. Second half started more positive with an early goal to make it 1-1. A few positional changes saw our Kolts score 2 more to seal the game 3-1. Please keep in mind our 12/2's only had 10 men all game & Parra had 13. A real gutsy effort. The boys dug deep to pull this result off. Special mention to : Jack T, Decklan R, Lachlan. Also mention to No 6,7,9,8. Well down guys, keep up the good work. Imagine what you can do with a full squad. Sorry about the shirt numbers but I was standing in & didn't remember everyones names

**U12/ 5                      8      vs.      Castle Hill United      3      Round: 1**

After a very delayed start to the season the boys were keen to get out there and play some soccer.

We were short a few players due to school holidays but had just enough turn up to make a team. Because of this fact the boys bonded together well and watched each others backs. Full credits to our defensive line and goal keeper for there fantastic efforts subduing the 2 to 1 shots on goal from Castle Hill's attack. This opened the door for a few counter attacking fast break goals.

Mid-fielders supported their strikers well with a couple of nice through balls.

All in all the kids had fun and enjoyed a win. Hopefully we can have a few more before the end of season.

**U13/ 1                      2      vs.      Greystanes Black      3      Round: 2**

A great start to the game with a well crafted goal put away by Chris. Greystanes scored 5 mins later which was a deflection off a kolt. Matthew T was close to scoring our 2nd goal however was fouled. Spot kick scored by Rob T. 2-1 up at the break. 2nd half saw our boys play some good football & at times a little scrappy. Greystanes took advantage of some scrappy defence in our box & scored. 2-2 with 8 to go. Greystanes scored a goal via a distintive offside by 2 players not one. The crowd appealed to no avail. The non offical ref was at least 35 metres away & generally not keeping up. Greystanes coach admitted to me afterwards that it was offside. A very solid game by all players. Well done.

An unsettled start to the season, where we met 2 year running League Champions and Grand finalists. Coach needs to come up with new formation.

Thank you goes out to our U13/1 fill in players, who rose to the challenge.

**U14 Girls/ 2                      4    vs.                      Winston Hills                      0                      Round: 2**

Another great win for the girls building on the success of the first game. Kellyville dominated possession primarily thanks to the work of our defenders. The back four were strong and decisive and worked well together to quickly shut down any threats. They regularly fed the ball back up field to initiate attacking raids. Lara Forrest, Ellen Robinson and Liz Murray were the goal scorers.

**AAL/ 4                      15    vs.                      Wenty Waratah                      2                      Round: 2**

An awesome effort from the kick off ladies. With 17 in our squad and only 11 available this week it was all hands to the pump for the 90 minutes with no sound of the usual cry "can I sub next please Craig!" A double hatrick for Amanda topped off an outstanding performance and at least a hatrick for Chantelle. I lost track after that but well done to everyone else who beat their keeper. Thanks to Yas and Sam for volunteering to wear our GK jersey this week, a good game to have got it out of the way! A solid start to the comp, let's all get to training Wednesday and keep it going.

**AAL/ 4                      2    vs.                      Winston Hills                      0                      Round: 1**

A great effort and result for week one ladies. Played in weather conditions that covered every season during the 90 minutes it couldn't help but be a scrappy game, but we battled hard to get the break we needed. Well done to all our brand new players wearing the red and black stripes for the first time, you did us proud! Sam, glad you finished the game with your ankles and shins in tact, unfortunately you'll meet a few players during the comp like the friend you made Sunday!
