U6/Emus

vs.

Koalas

Round: 3

Well done to all boys who played against the Koalas. All boys played really well, goals were scored by Liam & Sam and some others were very close to scoring as well, maybe next time. The encouragement award went to Nicholas and the player of the week went to Jack G.

Keep up the good work.

U6/Kangaroos

vs.

Kingfishers

Round: 3

A great match by the U6 Kangaroos who showed great determination and skill in scoring several goals as well as defending their own goal. It was pleasing to see elements that have been learnt at training being transferred onto the field with players spreading out a little more, passing the ball to each other and calling for the ball. The initial starting teams were; Team 1: Amelia, Mia, Ethan, Jacob and Grantly; Team 2: Jet, Zachary, Arif, Baxter, Zackaria and Marcus (with 1 rotating player throughout).

The Encouragement Award for Round 3 went to Zachary D'Amicis who tried his little heart out and the Weekly Trophy went to Mia for a great allround effort in offence, defence and teamwork.

Well done to everyone for a great match. Keep up the GREAT work!!!

GO THE U6 KANGAROOS

U6/Kingfishers

vs.

Kangaroos

Round: 3

Team A: Patrick and Dean were excellent in defense. Jayden and Zane making some great break-aways, keeping the opposition on their toes. Well played Luke for his 1st ever game, he really got involved. After only 2 games the boys are really starting to understand which goal they should be attacking. Goals came from Zane and Dean. Well done Zane who got **MAN OF THE MATCH**.

Team B: A great team effort with lots of passing, running and big kicks. Cameron made some big kicks and accurate passes. Byron and Max showed their speed and accurate kicking. Joshua was involved in everything and was the worthy winner of the **EFFORT** award this week. Noah and Seth showed determination in winning the ball for us often with fearless play. Well done to all the boys!

U6/Koalas**vs.****Emus****Round: 3**

Great effort by the Koalas on Saturday. Ashton scored some great goals. Jordan also scored a goal helped by Emily, Sebastian and Thomas. Eli topped the tackle count helping the Koalas with some great turnovers.

Special mention to the Emus who were able to stop a lot of our goals, often with some last second saves.

The other Koala team also had a lot of fun. Goals were shared between Ethan, Nicholas and Troy. Nicholas E showed how long and high he could kick this week, giving Ethan the opportunity to take the ball with an open goal in front, converting on two occasions. Nicholas H was superb in defence keeping the emus from scoring in the first half while Ashtyn was our floater who aided in many great plays finished off by Nicholas E with 3 great goals.

Congratulations to Ashton on earning the Trophy (Kyle received the award in the first game). Troy became the second winner of the McDonalds encouragement award (Nicholas E received the award after our first game).

U6/Kookaburras 0**vs.****Crocodiles****0****Round: 3**

Both teams were pretty evenly matched this week so we were able to see all the kids show skills in both attack and defence. There were some great runs by Ellie while Liam, Jacob and Ben showed good dribbling skills. It was great to see all the kids trying their best to get in and get the ball and not giving up when the other team had the ball. They all displayed developing understanding of the game as they paid attention to which way they had to run and always tried to get the ball towards the goal.

Well done our award winners this week which were Liam and Ben.

U7/Knights**vs.****Tornados****Round: 3**

What a difference when you have 10 players, the lads played well. Goals from Alex, Mitchell, Braith, Oscar and Yinka capped off an enjoyable game to watch. The trophy went to Braith for his great goals in both games and the McDonalds Encouragement Award to Oscar for helping his best mate, Braith, get his goals. Go the Mighty Knights!!!!

U7/Stallions**vs.****Cougars****Round: 3**

Well done Stallions. We played a really nice team in the Cougars - well done to the Cougars also.

Goals for the Stallions went to Lucas, Alex, Aaron, Lauren, Abbey, Colby, Samuel, Chris and Blake. Zac and Lindsay also had a top game with lots of attempts. Trophy went to Lucas and certificate awarded to Abbey. Well done both of you.

Stallions keep up the good work and remember to keep enjoying the game.

GO STALLIONS!!!!!!

U8/Dynamo 6 vs. Jets 3 Round: 3

Well done Dynamos. It was a very competitive match against the Jets and all the boys played very well. Our forwards really pushed themselves this week and goals were scored by both Ethan and Beau. Lachlan and Andrew were all over the field attacking and defending and our mids, Jonny, Anosh and Liam held their positions strongly and sent the ball back our way many times. Rhys had an excellent game, clearing the ball from our goal and taking it away down the side line and well done to Dakota for his increased involvement in the game. James and John M were very solid in the back line and blocked many an opposition attempt at goal. Player of the Week was awarded to George for his excellent cover of the field and fine work both attacking and defending. Well done again Dynamos.

U8/Jets 3 vs. Dynamo 6 Round: 3

The boys displayed a really gutsy effort this week. There was great dribbling and defence by all players all game. After being 2-0 down the boys kept their heads up to score three great goals in the second half. Well done to Luca who scored 2 goals and Keegan who got the last goal after setting up plenty of opportunities. The boys supported each other right through the game by helping back up in defence and keeping up with the player with the ball in attack. It is great to see all players doing well as a team.

U8/Mariners 2 vs. Victory 0 Round: 3

The game was played in good spirit with the players from both teams giving it their best. Mathew Taylor won the player of the match with two well taken goals in either half. Conor and Harry got into the thick of it in Midfield putting in some hard tackles while the forwards consisting of Benjamin, Dylan and Bradley were always harassing the Victory's defence constantly and not far of scoring. The defence with Bailey, Kieran, Kunal, Mitchell with Isaac in goals were cutting off any threat that Victory posed. Well done Mariners, keep up the good work.

U8/Rapids vs. Roar Round: 3

Good to see the all the boys playing an excellent game. Madusha was awarded the McDonalds Norwest Encouragement Award. It was good to see everyone giving it their best and playing well with each other.

U8/Victory 0 vs. Mariners 2 Round: 3

A great game between 2 very evenly matched teams. Throughout the first half, the Mariners attacked with great skill only to be repelled by the rock solid Victory defence. After the half time break (where incidently the Victory had a more than abundant supply of fruit!!), the high standard of play continued with the Mariners eventually scoring a couple of goals. The Victory fought on bravely and were unlucky not to score a couple of goals themselves. The Victory could have handed out encouragement awards to everybody, such was the enthusiasm and effort, but eventually coach and manager settled on Zach and Jayden. Congratulations boys.

U9/ 1 0 vs. Castle Hill United 5 Round: 3

A tough match this week. Well played by Mitchell our 'Man of the Match' who never stopped trying.

An awesome penalty kick from Marcus was somehow stopped by Castle Hills Goalie.

Overall an OK effort against a tough team.

Keep trying boys. It will all come together for the whole 40min soon.

U9/ 2 3 vs. Pendle Hill 0 Round: 3

A great effort by the boys this week. They worked extremely hard in attack and defence. Our midfield was outstanding taking control of the game and really challenging the opposition. Our defence tackled well and made some great choices switching play through good passing. Our forwards worked tirelessly dropping back to assist and also pushing forward to take on the opposition. Although our structure fell away mid way through the second half we all had a lot to be proud of with the GREAT TEAM EFFORT. Our man of the match out of a Team of Outstanding performances was Jye Plumely with Nikolaus and Bradely also having exceptional games and receiving certificates.

U9/ 3 2 vs. Parramatta City 3 Round: 3

No Match Report Received

U9/ 4 0 vs. Castle Hill United 4 Round: 3

We let Castle Hill United score 3 goals in the first half but our defence was much better in the second half and only 1 more goal was scored. All the boys played well. Andrew and Isaac were great in goals. Jarom and Xander were great in defence. Everyone played well, if we can work on our positions a bit more a win is just around the corner. Jarom was awarded Man of the Match. Well done to all.

U9/ 6 4 vs. Norwest Cougars 1 Round: 3

We started the game well, creating many opportunities before putting the first goal in. Our defense was great all game with Logan, Tim, Jarred and Brendan. Norwest kept trying and scored an equalizer early in the second half before we put the foot down and drew away. Goals to Jake, Matthew and Josh G scored 2. A great team effort. Harry was a standout and was awarded the Player of the Match. Well done team.

U10/ 2 0 vs. St. Josephs 0 Round: 3

The boys today did exactly what I saw in the grading, they fought hard and played a type of football that made us proud. We were unlucky with the bounce of the ball around the goal but that is the nature of the game you can dominate but not see anything in the end.

Unlucky boys to get a draw but you did what I asked and that's all that matters at the end of the day.

U10/ 3 1 vs. St Michaels 5 Round: 3

We started off like a house on fire with the first goal of the match, then we could not maintain the same standard after the first 10 min. St Michaels are the comp leaders and were always the team to beat. They are a good team with some strong players. Their first two goals were a bit unfair, as one of the goals was a clear offside and their home ref (parent) let it go. The second was an accidental hand ball by us which gave them a penalty shot. Take these 2 goals away and we are closer to what the score reflects. We should have come back firing & didn't.

We need to fight for that ball 100% of the time and we didn't do it in this match. All the 50/50 balls were lost by us and we were sticking our feet out at the ball instead of putting our bodies into the tackles. The opposition need to know that we are there to play. Over all a good performance but we need to control the play better if we are to be competitive.

Let's move on to the next game with more determination and we will improve.

U10/ 6 0 vs. Rouse Hill Rams 6 Round: 3

U11/ 1 2 vs. Dundas 1 Round: 3

The boys played a much better structured game today, improved passing & using width more. Great to see all boys, especially Isaac, Ethan and Lachlan getting more involved. We had at least 3 goal scoring opportunities in the first half but could not put them away when it counted. We had plenty of possession, but we could not penetrate a determined and very quick Dundas defence. Shots from Tyler and Ethan came close, but just not to be in the first half, instead a break away attack by Dundas along with an unfortunate lapse in our otherwise solid defence saw Dundas sink the first goal of the game. 3rd game in a row saw us conceding the first goal. Our equaliser originated from a cross by Lachlan, Jordan taking on a player, taking a shot which deflected off the post, with Cameron who was well placed to finish it off, great team goal boys. 2nd goal was scored by Tyler, making up for some unlucky shots first half. Tyson played well as last man and Max pulled off some cracking saves in goals. Man of the match went to Tyler for his contribution throughout the game, well done Tyler and team.

U11/ 2 2 vs. Merrylands SFC 1 Round: 3

Positive result given that we didn't play as well as we can. It was our home game as field 3 was closed and we were playing at Pendle Hill. The boys seemed too relaxed before the game after their impressive win last week, A very slow start to the game where we were always second to the ball. As a team we need to learn that we cannot just turn up and expect to win. We need to give 100%, work as a team and make sure that we are first to the ball. We were able to get an early goal after a good combination between Sam and Dominic which led to Dominic scoring. However, after getting the lead Merrylands struck back very quickly. After an arm wrestle for the rest of the half Sam was able to score a goal from a long way out with his trusty left foot. At half time we were up 2-1.

After a much needed half time talk from coach Ray the second half was much better but still below our best.

Jake who clearly listed to Ray came out full of running in the second half and was player of the match.

U11/ 3 1 vs. Toongabbie 3 Round: 3

A game of two halves saw the boys go down 3-1 to Toongabbie. In the first half we were slow to the ball and it looked like we had been out dancing all night but a great goal by Harman had us going into the half time break down 2-1. A much improved effort in the second half saw us create many chances but luck was not on our side. If we concentrate on getting to the ball first and moving into open space and marking our man the results will come our way. Great effort by all boys as they tried hard and played very well in the second half again with no substitutes. Great game by Nick who got man of the match.

U11/ 4 0 vs. Guildford County 2 Round: 3

U11/ 6 4 vs. Granville Waratah 1 Round: 3

Toughest opponents so far, extremely tight first half with no goals at half time. We started well 2nd half and we took the lead through Jordan Gregan with a great strike beyond the keeper and into the net, 1-0 nil and the team had an injection of confidence. Paul McPhillips had the thankless task of a man marking job on one of their better players and he did a fantastic job!. We continued to dominate and Jordan scored his 2nd through grit and determination to get his shot in after great work from Jerome Andaya. After losing a goal, Jerome received his just reward with a great angled strike that beat the keeper to give us a 3-1 lead, we had to work really hard as a team and we had 100% effort from all of our players, crucial tackles from Joshua Andaya who was playing sweeper saved us on a number of occasions. Jordan Gregan completed his 1st ever hat trick and we won the game 4-1! Jordan was man of the match and Caroline North got most encouragement award! GREAT TEAM PERFORMANCE!!

U12/ 1 2 vs. Escholl Park 0 Round: State Cup

The boys came out firing. Keen to turn the disappointment of the day before around. By half time Kellyville were proving to have the upperhand in the game and were unlucky to have the cross-bar hit many times with some close goals. Escholl Park were still able to put pressure on our defense but the boys were outstanding in not allowing them to penetrate. There were some great saves by the keepers in the game. Well done boys...Off to the next round of the State Cup in a fortnight. Their were two players of the match today. Myles in the forwards for his excellent attacking game and to Mitchell for outstanding defense.

U12/ 1 0 vs. North Rocks 4 Round: 3

This match didn't deliver the result that the boys or coaches were looking for. After trying a new positioning format in the first half, we found ourselves on the back foot and allowed a 3-0 half time scoreline. In the sheds at half-time the boys remained positive and to their credit came out firing in the 2nd half. Back to more familiar positions, the boys controlled the game in the second and were unlucky not to score off their attempts at goal. Credit to a very good goalkeeper in the NR camp. Unlucky to have another runaway goal scored against us in the second half leaving with a disappointing scoreline. Well done to NR boys who used their strength and size well. Well done to the boys who I know learn a lot from a loss and are keen to use these hard lessons in their next games. POM went to Harley for his outstanding defense in the game.

U15/ 1 0 vs. Wenty Waratah White 1 Round: 3

We're getting closer but alas still no goals and no points. On the plus side we created plenty of scoring chances with half a dozen close shots in the first half. On the negative we held tight in defence, controlled the ball for at least 70% of the time and did not manage to score. Good defensive work again from Shastri. Aron is proving a useful right defender. Brad and Kristiaan looked good in patches and Evan appeared most likely to break the drought, whilst Kurt worked hard to control the midfield. We just squandered far too many promising attacks with some poor choices and misdirected passes when we were on a 4 on 2 or similar break. In defense we need to move quicker to the loose ball especially around the penalty area. 3 games so far 5/7 goals against us have come from hesitancy in the box. Midfield have to work harder in defence and provide an outlet pass for the defence. Forwards need to move into space and always be ready to receive the ball. Let's lift and get a win this week.

U15/ 1 0 vs. Greystanes 2 Round: 2

A much improved effort this week and we were probably unlucky not to hang in there for a point. Excellent defensive effort in the first half in the face of a howling wind kept the scores at 0-0 and we were quietly confident of snatching a win with the breeze at our backs in the second half. Unfortunately we didn't take our chances and we gave up a couple of simple goals again to unmarked players in the Penalty area. All in all though a good promising effort especially considering that Greystanes had an 8-0 win in Round 1 and it has certainly given us something to build on for next week.

Good performance from everyone, you all played well and our passing is starting to come together. We just need to work on creating those chances in the last 3rd of the pitch and taking a shot when the option opens up.

Special thanks to the Parents who came down and helped setup on Sunday.

U15/ 3 2 vs. Castle Hill RSL 3 Round: 3

A very close tough and tiring game. Great effort by the boys especially David the goalkeeper made this encounter a very entertaining one. James scored the first goal of the match on an excellent pass from the midfield. After conceding the equalizing goal boys continued to pressure and scored the 2nd from a corner kick. First half however ended 2 all and opponents started the second half faster and pressured our boys but defence stood firm until a suspicious penalty kick was awarded to the opponents in the last minutes of the game which determined the result of the match. The whole team played well and are really starting to work together as a team. With strong determination and a fighting spirit the boys will surely achieve great results in the next game. Well done everyone.

U14 Girls/ 2 5 vs. Baulkham Hills 0 Round: 3

Another great effort by the girls in very warm conditions. Again our defense was well organised and decisive limiting Baulkham Hills to only a handful of chances. Kellyville, on the other hand, created numerous opportunities and could even have scored more goals. All the girls worked hard for the entire game despite the heat. The highlights include two great headers from Montana - only one accidental. :-) Liz Murray, Lara Forrest, Taylor Hornery and Ellen Robinson scored the goals.

U16 Girls/ 2 2 vs. Castle Hill United 1 Round: 3

Everyone played a really good game! We had 2 goals scored against Castle Hill U one from Jess Larder and another from Kristina. We all really stepped up in the second half and kept them under pressure. It was a good game and a good start to the season for our 3rd game played. Well done everyone and remember our point system, every point counts :)

AAL/ 4 3 vs. Pendle Hill White 2 Round: 3

Amidst the debarcle of both teams having twelve on the park at different stages during the game (and a spate of balls being kicked in faces!) we managed to pull off another great win, coming from behind with some cracking goals. A solid team performance led by Liz & Yassie who seemed to be involved everywhere you looked! Welcome to Alyce our latest addition to the squad and thanks to Amanda and Alyce for doing a great job in the dreaded GK jersey! Well played everyone, top of the table for another week... long may it continue!

AAM/ 5 5 vs. Castle Hill RSL 0 Round: 3

What an outstanding performance! Every single player right from kick off put in all the effort they possibly could. With a change of formation and attitude by the entire team, we all kept our heads high and absolutely ravaged the opposition. After only scoring one goal previously in our other games, we showed that we no longer struggled in front of goals, with goals coming left right and centre! The passing was amazing, the communication was great and we were even fit enough! Those painful sprints at training must have payed off.

Special shoutouts this week goes to Tomasums for being the Hat-Trick-Hero, Shlobbie for S.O.S (save of the season), Faz for breaking the record for the highest number of offsides in a game and Surmin for an all round great performance! Well done boys, told you this is the week where we no longer lose anymore games!

AAM/ 5 0 vs. Lidcombe Waratah 1 Round: 2

Much improved weekend for the team. We started strong and finished strong, with the goal conceded coming mid-way through the second half via a breakaway against the run of play. Overall we lost the ball less and managed to string a number of great passes together. We defended when we had to and attacked in numbers. With a bit of luck we should have won this match but it wasn't our day. Special shoutouts this week go to the harker boys for their saves off the line! All in all, a HEAPS better performance, leaving us in good stride to win games from this point fourth.

AAM/ 7 0 vs. Guildford County 1 Round: 3

A little disappointed to not have come away from this match without at least a draw. We had plenty of opportunities, especially in the first half, but were not able to convert. Unlucky to have hit the bar on 2 occasions and probably should have won a penalty for a pull down in the box. Defense was rock solid and we were unfortunate to give away a sloppy goal. A few more subs and less injuries would have seen a win for the boys.

AAM/ 9 2 vs. Winston Hills 3 Round: 3

AAM/ 12 4 vs. Pendle Hill 1 Round: 1

A slwo start to the year with the score at half time 0-0 and several easy goal chances missed. The boys fired up for the second half and managed to finish the game with a flourish.

Good effort all over the park, well done boys!!

AAM/ 12 0 vs. North Rocks 2 Round: 2

Playing on a cold Wednesday night, we started very slowly. North Rocks managed to put away 2 goals in the first 20 minutes.

Unfortunately we were unable to recover although we pushed. We made some chances for ourselves but were unable to finish off some good lead up work.

With a few days to recover hopefully we can regather for Saturday against Wenty.

O35/ 4 1 vs. Lidcombe Waratah 0 Round: 3

The game was a bit scrappy in places especially when Lidcombe started with the rough tactics, but the old undefeated (at home) farts played with only 12 players. Each played with courage and determination to win this game. Brilliant goal by Woodsie and Tony's last minute spectacular, acrobatic save saw off the O35/4s 2007 league champions. Their Manager mentioned during the game "how come you guys are being hammered every week... you have a good team...?" My reply "which rock have you been hiding under?"

O35/ 5 1 vs. North Rocks 3 Round: 2

After my stinging appraisal of last weeks performance only ten turned up this week. Too fearful of being ridiculed in print. At least Grant came back just to prove he could take a legal throw-in. Lucky for him we didn't have an official ref. Andrew F dropped in for his first game and shone in patches, setting up a goal for Fernando with a dazzling display of footwork. He is clearly in the wrong team. Sze had a run(read dawdle) up front and split his time between taking on the keeper one on one (and losing) and doubled over gasping for breath as the ball rolled by him. Having only 10 players we took the easy way out and used left fullback as a resting point. I mean no-one really ever plays left fullback, do they? Which really worked well until Nth Rocks realised whoever was there couldn't move and 3 players needed a break at the same time. Perhaps we'll get a ticket system like the deli at Woolies for next week. There's always next week lads. Dibs on left fullback.
