## U5/Falcons : Round 1

**Opponent:** Magpies

What a great first game. It was great to see all the kids smiling and having fun. Rylee was Player of the Week for getting out there in the second half and giving it a go. Well done to Rylee and all the Falcons. Thanks also to the support from the parents.

---

## U6/Kangaroos : Round 1

**Opponent:** Kingfishers

What a great first match, all boys were super excited to finally get out and play - although by the end of the first half there were some tired faces. Next week will have the oranges on hand ready for a quick energy boost. Our player of the week was Aeydan - congratulations. Looking forward to another great game next week.

---

## U7/Stallions : Round 1

**Opponent:** Cougars

Fantastic first up effort from the Stallions on Saturday with all eleven players, Awstin, Can, Deniz, John, Jordan, Josiah, Kyle, Nicholas, Liam, Sebastian and William all having plenty of game time. Everyone came off pretty exhausted. Special mention to Can who won the trophy for his effort and energy on Saturday. Kyle and Nicholas scored some good goals with Liam helping to set up one of his brother's goals with some pretty handy tackling. Go the stallions in 2010.

---

## U8/Rapids : Round 1

**Opponent:** Victory

What a great game to start the season. All players were on fire and some great team work resulted in a number of goals. Player of the week was Aaron, well done. Encouragement awards went to Lucas and Lauren for being good sports and playing for the opposition and giving it their all. Well done all players!!

---

## **U8/Rovers : Round 1**

**Opponent:** Jets

A New exciting season and new exciting team, The Rovers, named after the 2011/12 new A-league team – the Sydney Rovers. A terrific start to the new season, the Rovers played exceptionally well against a persistent Jets, with plenty of passing, defending, attacking and running, and a good goal from Alex and a 'reverse' goal from the Jets. There could have been more goals, with Alex hitting the cross bar, but the Jets defence held fast. With our full team we'll be a team to be reckoned with during the season. The 'player of the week' trophy went to Nicholas B, who must have run every inch of the field and helped Alex get his goal. Well done the new Rovers!!!

---

## **U9/1 : Round 1**

**Opponent:** Baulkham Hills

**Goals For: 2 Goals Against: 3**

What an exciting finish to our first game of the season. After being 3 goals down at halftime, the boys had all the momentum in the second half before going down 3-2. If only we had a couple of more minutes at the end we could have seen the scores all locked up!! Great work in defence & attack by our midfield, who helped set up goals to both Madusha & Zack. Player of the week went to Jake for his skilful runs with the ball & his effort in saving a goal by clearing the ball off our goal line. We look forward to seeing the boys play their first game at home this Saturday. Great effort lads!! GO THE KOLTS.

## **U9/2 : Round 1**

**Opponent:** PCYC Parramatta

**Goals For: 0 Goals Against: 13**

Let's focus on the positives: It was a lovely sunny day. The whole team was together for the first time ever. The boys tried very hard and looked appropriately red, hot and sweaty at the end of the game. The coach didn't lose his voice from yelling too much and the manager didn't muck up the substitutes. All in all, a good mornings soccer.

For their first time together the boys did their best. They are starting to learn positions, which is very hard, and not to try to cover the whole field. They are working on their match fitness as it is their first time on the full field and learning the names of the other boys in their team so they know who to call for.

Matt Killey was awarded Man of the Match for his big defensive kicks from the back. Well done to him and all the boys for a big effort in their first game.

---

### **U9/4 : Round 1**

**Opponent:** Greystanes

**Goals For: 2 Goals Against: 0**

A great start to the year. The kids tried really hard all game to concentrate and hold on to the positions they had been given, for the first week and first game on the full field they should be proud of their efforts. Our defence was rock solid, a great job was done by all involved. Our midfield and attack dominated and we should have scored more goals based on the efforts and the amount of ball the kids were able to maintain. We saw plenty of great team work with a lot of great passes. The two goal scorers were Keegan and Ethan. Overall a great result to start and a lot of promising signs. The Trophy went to Taylor for a great all round effort and outstanding positional play. Congrats to all the kids, great start.

---

### **U10/5 : Round 1**

**Opponent:** Castle Hill United

**Goals For: 1 Goals Against: 1**

Between sickness and injury, we started the season against Castle Hill with only 10 players. Playing in hot conditions with no rest, we battled hard and took the lead with a great strike by George. Unlucky to be scored against nearing half time, all players fought hard to not concede another goal in the second half. The midfielders kept running all game with Zac taking out player of the match. Great start to the season.

---

### **U11/4 : Round 1**

**Opponent:** St Michaels

**Goals For: 1 Goals Against: 2**

The team got off to a great start in the first round of 2010, scoring a goal in the first two minutes against a depleted opposition. But, as extra players turned up for the other side the game became more even. Our team played well for the remainder of the first half, but, lacked that edge, probably because of too many Easter eggs last week. Eventually, St Michaels evened the account after a concerted attack on our goal and some great goal keeping by Lachlan who earned himself 'Player of the Week'. This fired the team up and the parents were treated to a nail biting spectacle as the team got the ball to the strikers who peppered the opposition's goal for much of the second half. Unfortunately, none of the shots found the net despite some brilliant long range kicks. Finally, St Michaels got another goal home in the last minute of the game. Guys, the coaches were very proud of your effort this week and are looking forward to training on Tuesday to help you work even better as a team.

---

## **U12/1 : Round 1**

**Opponent:** Winston Hills

**Goals For: 1 Goals Against: 0**

A tough game against strong opposition made even tougher with the long grass which made it hard work for both sides. Winston Hills started stronger as we were a little sluggish to begin with. However, after about 10 mins we seemed to find our rhythm. Some excellent work from Brandon to win the ball then fire in a cross with his trusty left foot found Dominic who made a looping header which went into the top corner. After the goal Kellyville seemed to create more chances but we were unable to find the finishing touches. Our midfield was working extremely hard with excellent running and pressure from Jai and Cameron. Our defence and GK were strong for the whole game with Blake, Tyson, and Captain Sean with Peter in goals was very solid.

Much better second half where we seemed to dominate with Brandon and Jason working extremely well on the left and with Sam creating a number of chances. Will, Nick, Sid and Faraz worked hard in the tough role of midfield.

Cameron was MoM. Good start boys.

---

## **U12/4 : Round 1**

**Opponent:** Auburn District

**Goals For: 0 Goals Against: 6**

A strange game. We started well, dominating early possession and creating a number of half chances, our pressure was rewarded with a penalty after 15 minutes. Unfortunately Kyle hit the ball just too high. Auburn then came into the game and snatched a lucky goal 5 minutes before half time. The second half so the introduction of Lionel Messi for Auburn, a wonderkid who ran rings around our players, which led to much discussion of what he was doing in Div 4. This spoilt a close game and turned it into one-way traffic. Our players tired, but determined defending from Geoff and Alex, plus 3 or 4 great saves from Kristan kept the score down to 6-0.

---

## **U14/3 : Round 1**

**Opponent:** Merrylands SFC

**Goals For: 1 Goals Against: 0**

In spite of there being only 10 players fielded for Merrylands, we went into the match with a defensive formation. The boys passed the ball around and made some breaks and late in the first half Milad (player of the week) put the ball into the net. Some hair-raising chances to equalise we held on the first half advantage to the end. Great work all.

---

## **U16 Girls/2 : Round 2**

**Opponent:** North Rocks

**Goals For: 9 Goals Against: 0**

A great game by the girls this week. The first half had us playing down the centre with some brilliant passing and unselfish play. The focus for the game was possession, position and shape which was maintained outstandingly by Angelica's leadership in the back line. 5 goals scored in the first half and 4 in the second by Raelee, Premeet, Laura and Taren all backed up superbly by great defence and goalkeeping.

---

## **O35/3 Black : Round 1**

**Opponent:** Greystanes

**Goals For: 2 Goals Against: 1**

Within 20 minutes of starting with some great lead work moving the ball around Leong put the ball away high into the net from about 2m out for a one goal lead. Paul made some great saves to ward off the Greystanes attack but we got over the line in the heat and claim a first round win. Well done!
