Notice Board

Field Set-up/Canteen – Saturday 29th May

Please check the roster email for details of how many people required at what times.

U7 Volcanoes - Field set-up - from 7am 'til approximately 8.30am.

U8 Dynamo - Canteen Open – 7am 'til 11.30am (1 person 'til 12pm)

U16/1 – Canteen Close – 11.30am 'til close at approximately 4pm

The club would like to acknowledge the support given to us by McDonalds, Norwest, who kindly supply us with the McDonalds Encouragement Awards.

The coaches of our younger teams certainly look forward to handing out this award, and seeing the excitement on the kids' faces when they receive it.

U5 Eagles: Round 7

Opponent: U5 Swans/Magpies

It was another great morning of soccer for the boys from the Eagles. They had a great time playing both the Swans B and Magpies B teams. They are even starting to enjoy the oranges at half time as well. Congratulations to Connor for taking home the "Player of the Week" award along with Cooper picking up the "Encouragement Award". And a big thank you to all the parents for their support, I know the boys love having them there on the sideline. Keep having fun!

U5/Falcons: Round 7

Opponent: Hawks

Well done Falcon's. Our boys played the Hawks and it was a great game played by both sides. Kieran took home the trophy and Jayden D was awarded the certificate. Well done to both boys. I think the team has found themselves and all the boys are just loving playing each and every week. Go Falcon's

U5/Swans: Round 7

Opponent: Eagles/Magpies

Well done to all of our little soccer stars for their game on Saturday morning. All kids showed a great deal of improvement this week when they played the Eagles B and Magpies A teams. I can see all your hard work at training is paying off with some fantastic dribbling and ball control. Congratulations to Mitchell from this week's A squad and Alexander from the B squad for taking home the "Player of the Week" awards. Keep up the good work!

U7/Cobras: Round 7

Opponent: Cougars

Well done Cobras... a difficult match this week but we were able to stay strong and determined in defence!!!! Some very good attacking and ball control displayed this week as a team...which helped in making a cohesive side against the Cougars. Player of the week went to Joel for his "Never Say Die" attitude. Excellent shots for goal, passing of the ball between players and communication on the field...shows us growth in your abilities and confidence as players. Good job....GO THE COBRAS

U7/Cougars: Round 7

Opponent: Cobras

Another great round for the U7 Cougars who continue to go from strength to strength. Both teams scored plenty of goals this week and also worked well as a unit in defence.

Team 1: Ethan, Marcus, Grantly, Jacob and Baxter

Team 2: Lachlan A, Lachlan B, Jett, Zakaria and Arif

The Weekly Trophy was awarded to Jett who had an outstanding game, perhaps one of his best games ever. Both in defence and offence, Jett was a stand-out on the field.

The weekly encouragement award went to Lachlan A who showed great determination and commitment this week in both forms of the game. Lachlan A has settled into the team wonderfully well, being a new recruit this year.

Remember to always have fun and be a great sport on and off the field.

Well done to the U7 Cougars.

GO YOU GOOD THING!

U7/Stallions: Round 7

Opponent: Jaguars

Saturday provided us with a prime example why teachers do not like playground duty when the weather is windy. Nevertheless, a great effort by the Stallions with the ball in attack and in defence with several desperate tackles. Trophy winners for this round were John and Jordan. John provided the best ball of the match with a beautiful through ball past the Jaguars line which found Sebastian in open space who was able to take the ball to the goal and score. Kyle and Gan also had impressive games with Kyle scoring several goals and Gan winning the McDonalds encouragement certificate for his business around the field. Gan was always looking to make a tackle or to kick the ball to a team mate. So, well done to Gan.

Thanks Jaguars for a great game. Go the STALLIONS.

U8/Galaxy: Round 7

Opponent: Victory

Galaxy had a great game this week with the best defence we've seen this season. Bradley, Callum and James worked outstandingly together to help ward off a number of attacks at goal. There was lots of great passing between players who are now seeming to understand the value of teamwork. Well done Galaxy.

U8/Rovers: Round 6

Opponent: Mariners

With every game the Rovers are improving their positional and team play. Three good goals, one each from Mitchell, Alex and Nick, were created by excellent passing and team work. The whole team played very well against a strong opposition. Mitchell earned the 'player of the week' trophy for his consistent effort, while the McDonalds encouragement award went to Joshua, who played very well and held his position throughout the game.

U9/1: Round 7

Opponent: Castle Hill United

Goals For: 0 **Goals Against:** 3

Week in and week out the boys continue to put in strong efforts and this was again evident against a quality opposition. Down 2-0 at halftime the boys continued to fight hard in the second half and we are all very proud of their efforts, going close to scoring a couple of times. Joseph & Rhys were brave in goals. Connor made some good passes in the midfield and Nathan W and Nathan M were also strong. Jake continued to be a threat up front and Sebastian earned the player of the match award for his ball control & strong efforts in the midfield. Keep working hard boys and a win won't be far away. GO THE KOLTS

U9/3: Round 7

Opponent: Toongabbie

Goals For: 3 **Goals Against:** 0

We Won! What more is there to say except - it was fantastic, brilliant, wonderful and very, very exciting. This was the team's first win.

After a few close calls in the opening minutes Joshua, our no. 10, took the ball, raced through the pack, and put away the first goal of the season. Toongabbie fought back but Hayden, Matt and Jayden were not letting anything through our back line. James charged down a few balls in goals to clear them out and Jackson, Connor and Damon were strong in the mids, trapping the ball and sending it back up the lines.

In the second half all of Daniel's hard work paid off with him scoring our second goal. Needless to say, the parents were cheering on the sideline. Luke and Mark kept the pressure on up the front with Mark coming so close to scoring. Kunal chased the ball and did some amazing kicks. To top off a great game Joshua scored another goal. The parents were going wild now.

Man of the Match went to Joshua for his superb all round game.

U9/4: Round 7

Opponent: Dundas

Goals For: 0 **Goals Against:** 0

A great performance all-round, which, with a bit more luck could easily have been a win. In a game where possession was very even, however were unable to convert our possession into clear cut chances. Keegan made some good attacking runs down the flanks and was combining well with Jack, back for his first game in two weeks, and were both very unlucky not to score. Damon and Justin were outstanding running themselves into the ground, with Justin showing his excellent dribbling skills and taking on the opposition and combining well with the rest of the mid-field and the forwards. The team work was excellent throughout the game and we truly played well as a team. Dundas was attacking our goal for the final 5 minutes, but determined defence saw off the Dundas attack. Player of the week went to Andrew in goal for his game saving, high class, save with minutes to go, which was as good as any professional keeper could produce.

U10/1: Round 7

Opponent: Castle Hill United White

Goals For: 2 **Goals Against:** 0

Great game, with lots of good plays and team-work displayed throughout the game by all. Good goals by Cooper and Abhi, and unlucky shots by Josh.

It was a fantastic game by our 'Man of the Match' Sam, his best game of the season so far.

U10/3: Round 7

Opponent: Parramatta City

Goals For: 3 **Goals Against:** 0

A GREAT effort by the boys to notch up their first win of the season. Some stout defending by Matthew, Nicholas M and R, Jake and our goalie Samuel was backed up by some well worked passing by Macmohan, Andrew, Oliver and Conor.

It was a tense first half in which we were forced to defend most of the time.

However when Conor scored the first of his hat-trick of goals our attack started to flow.

Well done boys!!

U11/4: Round 7

Opponent: Wenty Waratah

Goals For: 3 **Goals Against:** 4

Slow to start the game today had a nail biting finish. Unfortunately, we let Wenty get those early goals, but with plenty of determination we dragged the score back to 3-3. Early in the game Zane, Noah, Angus and Riley found they had a first grade striker on their hands. After a couple of goals slipped through, the backline effectively shut him down allowing us the chance to catch up. Lachlan, Belaal, Ronan, Tiana and Jake worked hard in the mid-field where most of the game was played. The game was very even today, but, occasionally our talent shone through with some great team runs on Wenty's goal. Wenty's defence proved tough, but, Connor, Sarfraz and Belaal found the gaps scoring one each. Unfortunately, we were caught out of position and Wenty got a shot in out of reach of Lachlan's safe hands to claim the game. We forgot some of the basics today which made life a lot harder so let's focus at training and get it together for our next game. Noah had a great game today and got POW.

U12/1: Round 7

Opponent: Baulkham Hills

Goals For: 0 **Goals Against:** 6

After a very disruptive week the result reflected this. Up against a team that lost their first game last week in 2.5 years, Baulkham Hills were keen to show their authority and skill and they did! In the first half, we were very ordinary with what appeared a lack of effort and direction and Baulkham Hills took full advantage and seemed to be scoring at will. Given that Baulkham Hills are a very good side and the Kolts were off their game it was a perfect storm... 5-0 at half time. To the boys credit they knew what they needed to do, a few positional changes as something had to give and the Kolts gave a much better account of themselves and started to challenge Baulkham Hills. The boys should be proud of their second half effort and perhaps think about what is required for a full game rather than just competing for parts of a game. What is required now is to train hard as often the way you play is a reflection of the way you train and prepare. Sean was MoM and never stopped trying.

U12/2: Round 7

Opponent: Rouse Hill Rams

Goals For: 2 **Goals Against:** 1

A week is certainly a long time in football! This week we played with more purpose, and didn't give the opposition as much time on the ball. Our defence was great and after pressuring the Rouse Hill defence they made a mistake and handed us an early lead. Rouse Hill fought back and after a long tussle Mitchell scored a good goal through grit and determination. Well done Mitchell. Kyle had a good game in goals, Nathan and Jacob controlled the defence along with Brody, Darren (who saved a goal with a fantastic challenge) and Rohan who was our MOM. Midfield fought hard all game with Tyler, Thomas, Lachlan and Nick all having good games. Well done up front from Jake, Isaac and Jade. Let's concentrate on 'ball to feet' boys and pressuring the opposition when they have the ball. We have a couple of difficult games coming up but if we play to our ability we will get the results. Well done boys.

U12/4: Round 7

Opponent: Castle Hill United

Goals For: 0 **Goals Against:** 8

A tough day for the boys. Castle Hill played the best football we have seen this season, and quickly raced to a 3-0 lead. We then held them relatively comfortably till half-time. The second half they came on strong again and bagged another five. Our highlights were few and far between, a fabulous penalty save from Kristen, Alex crunching into tackles and shoulder charging numerous Castle Hill players off the ball. Anthony up front created a couple of chances through his pace and skill, but overall a day to forget. Man of the match Alex.

U14/3: Round 7

Opponent: Greystanes

Goals For: 2 **Goals Against:** 2

We barely scraped 11 players together today, but what a team. Jared P was back but unfortunately, had his cast on, and the ref said he couldn't continue.

No matter, we did enough in the first half to get a draw. Everyone played well and Adrian was voted Player of the Week by the team with a great effort.

U15/3: Round 7

Opponent: North Rocks

Goals For: 3 **Goals Against:** 5

After a solid first half with goals by Michael, Josh and Bryton's corner directly into goal the boys decided they had won the game only to see North Rocks storm back into the game with 5 second half goals.

U12 Girls/2: Round 7**Opponent:** Wenty Waratah**Goals For:** 0 **Goals Against:** 9

Our opponents were big and fast this week and we fell behind by a goal within a couple of minutes. The remainder of the first half was tough and we were down by 6 by half time. In the second half we came out stronger and more committed running harder at the ball and managed to get into attacking positions on several occasions. Strong games from Karlee in defence and Jasmine J in the midfield. Coming up against tough opposition each week is tough on the girls but they approach each game positive and committed to do their best. Well done girls.

AAL/3: Round 7**Opponent:** Castle Hill RSL**Goals For:** 1 **Goals Against:** 2

A team decimated by injuries and illness this week left only 10 available players from our squad of 16! Not what we needed playing the team in second spot but we dug deep and gave them a good run for their money! Some very quick forwards kept many of us behind the ball for a lot of the game but when we got the chance, we looked as dangerous at the other end. Good stamina with no subs girls, we gave it our best! Special mention to Britt who saved a penalty in the dying seconds of the game, go girl!!

O35/3 Black: Round 7**Opponent:** Kellyville White**Goals For:** 2 **Goals Against:** 3

Today we played our twin brother. As brothers go, they did poke sibling fun at us and got away in the first half with a 2-0 lead. We clawed our way back, whinging to our parents when our brother hit us when they weren't looking. We thought we'd get a draw after scoring 2 goals in the second half but, alas, a penalty sealed the loss.
