Notice Board

Field Set-up/Canteen – Saturday 26th June

Please check the roster email for details of how many people required at what times.

U5 Eagles - Field set-up - from 7am 'til approximately 8.30am.

U10/1 - Canteen Open – 7am 'til 11.30am (1 person 'til 12pm)

U16/2 – Canteen Close – 11.30am 'til close at approximately 4pm

The club would like to acknowledge the support given to us by McDonalds, Norwest, who kindly supply us with the McDonalds Encouragement Awards.

The coaches of our younger teams certainly look forward to handing out this award, and seeing the excitement on the kids' faces when they receive it.

Match Reports

To submit match reports online please visit us at www.kellyvillesoccer.org.au

U6/Kingfishers : Round 11

Opponent: Emus

An impressive display of courage by our boys. With some quick adjustment at half time and inspiring words from the coach and manager, the boys got back to the fields with some spark in their attack. It was a great come back from our second team, and the post match debrief confirmed that the boys stuck to our game plan. Well done to the boys ... GO THE KINGFISHERS!!!

U7/Cobras : Round 10

Opponent: Hawks

What an impressive display of Cobra magic! Our Blue Team (Cooper, Lizzie, Joel, Liam, Luke and Tayne) got off to a great start by pivoting, using the "stop-turn" technique, and showing some awesome ball handling skills, using BOTH feet, to end in 3 sensational goals. Great teamwork Cobra's!!!! Our Black Team (Ethan, Bailey, Marcus, Will, and Aidan) eased their way into the game by defending well and positioning themselves strategically on the field. A goal on the death of the 1st half set the Cobra's tone for what was to come. A constant bombardment of attack led to an equaliser....but our Cobra's were running on pure adrenalin which resulted in 3 more goals! Special mention to Bailey who scored his first goal. Well done champ. Player of the week trophy went to Cooper for his outstanding effort throughout the entire game. GO THE COBRA'S

U7/Cobras : Round 11

Opponent: Cougars

A tough match this week against the Cougars. Cobras, you showed your fighting spirit through your continual determination and commitment in defence and attack. We are proud of your sportsmanship and team spirit.

Player of the week went to Marcus for his excellence in offence. WELL DONE!!!
GO THE COBRAS.

U7/Stallions : Round 10

Opponent: Hurricanes

Stallions of the Round and trophy winners for this week were Joshua and Sebastian. Both boys have now won the trophy for the second time this season. Joshua continues to make big tackles and regularly score goals week after week and Sebastian looks like he could run all day as he never appeared to tire despite covering great distances around the field.

Nicholas was awarded the McDonalds encouragement award for his efforts on Saturday and before he had even left the ground had already made plans for lunch later that day.

Joshua, Kyle, Liam and Nicholas all had good games and were rewarded for their efforts with some great goals. The other team were kept very busy in needing to defend for most of the match but did well to keep running from start to finish.

By game's end, all the Stallions looked pretty exhausted and dirty from running, shooting and pulling off some big plays and tackles. Just as well we had our photos taken before the game.

Go the STALLIONS.

U7/Stallions : Round 11

Opponent: Knights

The Stallions and the Knights played a very exciting and open brand of soccer. Congratulations to Nicholas and William who were our trophy winners for this week. Nicholas again added to his tally of goals for the season by scoring a bag of goals. Nicholas continues to use his powerful kicking and pace to his advantage. William's efforts in defence were first class. Any half chance or certain goal scoring opportunity for the Knights was stopped with some great tackling and clearing of the ball by William. By half time I thought he had racked up close to twenty tackles.

John was awarded the McDonalds encouragement award for his efforts on Saturday. John is one of the most powerful kickers in the team and his Stallions teammates are soon learning to give him plenty of room when John restarts play from a goal kick.

All players did well with plenty of involvement and everyone had an opportunity for some darting runs up field with the ball.

Go the STALLIONS.

U8/Rovers : Round 10

Opponent: Galaxy

What another fantastic game between the Rovers and Galaxy. Both teams were well balanced and played exceptionally well. Galaxy were outstanding, playing against an excellent and well organised Rovers. Both teams were even until Alex scored the only goal of the game. The 'player of the week' trophy went to Josh, who played a terrific game, while the McDonalds encouragement award went to birthday boy, Nick. Well done Rovers!

U8/Rovers : Round 11

Opponent: Rapids

This week was another tough game against a very good Rapids team. Rapids took an early lead scoring two goals, but the Rovers team did not drop their heads. In the second half, both teams were evenly matched, 'till Alex had a great 15 meter shot at goal, and what a goal! Rovers' defence and midfield were playing very well, but Rapids managed to score again. With only seconds left, Alex scored another brilliant goal. Well done both teams for a great game that could have gone either way! The 'player of the week' trophy went to Liam, who played a terrific game in goal and made some brilliant saves, while the McDonalds encouragement award went to Thomas for his persistence and exceptional game. Well played Rovers!

U9/1 : Round 10

Opponent: Baulkham Hills

Goals For: 0 Goals Against: 4

Another tough match for the boys but we know each game in Div 1 will be tough. The team showed yet again some fighting spirit in the second half before going down 4-0. It could have been very easy for them to switch off but after a rev up at halftime, they played as a team and are always good to watch when they do. Jake was again strong up front while Patrick earned the Player of the Match award for his strong work & some quality passes from the midfield. The team is improving every week & that's pleasing to see.

GO THE KOLTS

U9/3 : Round 9

Opponent: Wenty Waratah

Goals For: 1 Goals Against: 4

A tough match this week against the top team. Our boys did really well to hold them down to this score. They called for and passed the ball - there is a lot more thinking going on now. There was some great defensive work from our ever capable backs and some very strong attacks from our fearless forwards. We had a few goes at goal and finally Joshua put one in which was very exciting. Man of the Match went to James for his excellent work in the goals - not letting any goals in. Go 9/3!

U9/3 : Round 10

Opponent: St Josephs Rydalmere

Goals For: 1 Goals Against: 1

A very exciting match this week. Despite having a few boys out sick the remainder of the team worked well together and held their own against the opposition. A good solid goal was scored by Daniel. There were many more very close calls which had all the parents holding their breath on the side lines. Each week the boys are getting stronger in their game and we are very proud of the effort that they are putting into every game. Man of the Match went to Jayden for his excellent defensive work.

U9/4 : Round 9

Opponent: North Rocks

Goals For: 0 Goals Against: 1

What a great game of football, which was appreciated by both sets of supports. North Rocks were a very physical side and didn't mind the rough stuff. We were very strong and we were constantly getting to the ball first and winning the challenges. The passing was again excellent. We played like a great team with everybody contributing to a very high standard. Our defence was solid with Harry, Damon and Ethan all playing well. The midfield was brilliant with Harrison and Justin contributing well with dogged defence. Again just a 5 second lapse and North Rocks scored on the stroke of halftime. Our forwards made some great runs and were unlucky not to pull back an equaliser. The North Rock coaching staff praised our performance and our solid defence, and passed comment that our result do not reflect on how we play the game. Well played by all. Continue this kind of effort for the rest of the season and the result will go our way. Justin was Player of the weekend.

U9/4 : Round 10

Opponent: Greystanes

Goals For: 5 Goals Against: 1

A slow start after a few weeks off and Greystanes took the lead before we were even awake. This was our wake up call. We started to attack the ball and not stand back in the tackles and we started to dominate. The passing and vision was excellent. Following some excellent goals by Keegan and Kieran, we took the lead into half time. Following half time the team lifted and the team work was a great sight to see. The midfield and strikers worked well together and our defence was solid all day. Damon scored a great goal with some excellent dribbling skills, after receiving the ball on halfway and taking it all the way. Justin was our next goal scorer with a great strike from just outside the 6 yard box and Rhys finished the day off with nice strike. Jack was unlucky again with some powerful shots at goal. Dylan and Ethan were solid all day in attack and defence. A great team effort by all.

U10/5 : Round 9

Opponent: Rouse Hill Rams

Goals For: 1 Goals Against: 1

Backing up from Saturday against the competition leaders with only 10 players was always going to be a challenge and then going down a goal early in the first half made it even more difficult. But we kept trying hard with Matthew popping up everywhere on the park in both attack and defence. Our back 4 were strong with Nick, Brendan, Josh C and the lightning Jarred making some crucial covering tackles. Xander swept well as usual making a superb clearing header late in the game. Tom hassled the opposition up front, while George continues to improve and his corners and goal kicks were outstanding. Special thanks to Zac for making the game and putting in a great effort in goals and in the midfield. However with his best game of the season which resulted in him scoring the equaliser was Josh Pantel. Great game Kolts. Very proud.

U10/5 : Round 10

Opponent: Castle Hill United

Goals For: 0 Goals Against: 1

We were a little off the pace early, which resulted in a lot of pressure from the Castle Hill United team who knocked the ball around very well. Unfortunately we went down a goal to a penalty which hit the post and went in. Karla had a great game in the middle of the park as usual and Josh G was unlucky not to score a couple of goals, while Brendan had a cracking game in goals in the second half. Player of the week was Xander with another outstanding performance at sweeper saving us on many occasions from going down by more. Well done Xander!

U10/5 : Round 11

Opponent: Wenty Waratah

Goals For: 4 Goals Against: 0

With the bare 11, Wenty started well and we scrambled with some attacking goalkeeping from Matthew to hold them out. After that we dominated the game with some great teamwork. Josh P was good down the right and Karla and George were strong in the middle. Tom backed up last week's performance, while our back 4 were good again. Jarred fought hard up front in the first half, which culminated in Josh G scoring a hat trick and player of the match. Great game Kolts

U11/4 : Round 9

Opponent: North Rocks

Goals For: 3 Goals Against: 2

Well guys, the Soccerroos can take a leaf out of your book. Both teams were down 2-0 at half time today, but, that was not the end of the match for the Kolts. Come backs are possible and the team effort in the second half was fantastic. North Rocks were a challenging side scoring two solid goals in the first half. Even after half time they had plenty of strikes at goal, but, Sarfraz took every opportunity to roll in the dirt with the ball in hand. Our goals came in the second half from excellent team work, with all three being scored off crosses from the sideline that dropped right in front of goal. We need to try that more often. Zane and Noah were hungry for the ball today seeing plenty of action. But, it was Belaal who earned player of the week for his first half effort as goalkeeper and two goals in the second half. Well done guys. Go Kolts!

U11/4 : Round 10

Opponent: Lidcombe Waratah

Goals For: 0 Goals Against: 0

After a few weeks off the field, the team had a great game. Everyone was passing the ball very well and looking for opportunities. As usual the back line was rock solid ensuring Sarfraz was bored-to-tears in goal. This is good. In the second half our attack got stronger when the mid-field and strikers worked together to keep the ball within striking range. Luke had some powerful shots at goal, but, their keeper was too good when the ball was on target. We improved significantly as the game went on and I am sure we will put in a good effort on Monday. Players of the match were Ronan who made some great passes and Jake who linked plays tirelessly throughout the match. Go Kolts!

U11/4 : Round 11

Opponent: Castle Hill United

Goals For: 4 Goals Against: 1

A very solid performance today from the team against Castle Hill. We kept the game down in their half and had most of the possession through good running and tackling. Belaal put three of the goals away supported by good passing from Jake, Connor and Luke. But, the crowd and team erupted when Aiden put his own goal away in the second half. Quote of the week goes to Coach Chris who spoke five seconds too soon before Aiden's goal, "Aiden! You're a left mid, not a striker!" Who'd have thought? The backline was tight as usual and our two temporary goalies, Connor and Ronan saw very little action - which is a good thing. There were some good passes from Tiana who kept the ball moving through midfield and Angus tried out the bench for the first time this season. Great effort guys, but the tougher teams are coming up so stay focussed and play smart like you have done for the last two weeks. We will surprise them. Go Kolts!

U12/1 : Round 9

Opponent: Auburn District

Goals For: 1 Goals Against: 1

Backing up on the Monday for our washed out round 9 game was always going to be tough. After a tough win on Saturday, the boys seemed to struggle getting out of second gear today. Our normally strong and robust defence was a little shaky today. Also seemed like nobody wanted to head the ball today (from both teams) so a bit messy on dealing with the high balls. The midfield worked incredibly hard today with Cameron running a marathon and Jai being everywhere in both attack and defence and made a sliding tackle to save a goal which was close to the tackle of the season. In attack we didn't create the chances we did on Saturday but it was up against a tough Auburn defence. However a nice finish from Jason saw us equalise after going down early on. When we looked like we were about to capitalise we had a couple of very strange off side calls go against us. Boys 4 pts out of 6 over the weekend is a good result but it could have been 6 out of 6. Peter was MoM and was strong in 2nd half.

U12/1 : Round 10

Opponent: Parramatta City

Goals For: 4 Goals Against: 2

After being physically dominated by City in Rd 1 a huge effort and commitment was required from the team and they delivered. A 3-4-3 system adopted today certainly made us more dangerous in attack but required our midfielders to run their legs off and they did. Led by their captain, Sean the Kolts never took a backward step and produced some excellent soccer as well whilst Faraz as GK was good. After going a goal down we fought back to level 1-1 with a well taken penalty from Sam. Then we went down 2-1 and City seemed very confident as they were trying all the physical stuff that we were expecting. Then an excellent corner from Jason and a header smashed into the net from Tyson. Then Tyson had shot on goal handballed (he actually caught it!). Tyson then calmly slotted the penalty 3-2 and the crowd started sensing an upset. The upset was completed with a goal from Jason and 4-2. Tyson was deserved MoM. Well done boys, you can compete, now the challenge is to keep the momentum going.

U12/1 : Round 11

Opponent: Pendle Hill

Goals For: 0 Goals Against: 3

An early morning game with an 8.30 kick off was never a good sign. We started extremely well and within the first 5-10 mins were all over Pendle Hill. However, we needed to convert our chances into goals. We had 2 good chances that we were unable to convert and as we would find out this was what we needed to do. The balance of the first half was tough for both teams and 0-0 at half time. The Kolts knew what they needed to do for the 2nd half. However, Pendle Hill definitely lifted for the second half and had one player that made Usain Bolt look slow! The Kolts conceded a soft goal and this was the turning point with Pendle Hill now applying enormous pressure and winning all of the 50/50 balls. A couple of uncharacteristic errors at the back saw Pendle Hill go to a 3-0 lead and we were unable to fight back from this deficit. Pendle Hill are a top 4 team and for us to match it with them we need to compete for the whole game. Dominic was deserved MoM.

U12/2 : Round 9

Opponent: Castle Hill United

Goals For: 1 Goals Against: 1

What a game! Playing Castle Hill (undefeated) and at their home ground we turned up to play. We hustled them constantly getting to the ball first and winning the 50/50 challenges. When we had the ball we moved it early when we had to and settled down with some good passing. Castle Hill was not prepared for this. We played like a great team with everybody contributing. Nathan was MOM in goals with some magnificent saves. Defence was outstanding, Darren, Brody, Jake, Jade, Rohan all having great games. Midfield was brilliant with Thomas, Lachlan, Tyler, Isaac and Nic controlling the play supporting defence and attack when required. This is where games are won. Attack was fantastic with Mitchell scoring a great header and Kyle creating some good opportunities to score. Castle Hill equalised in overtime and were shocked by our performance although it did not surprise the coaching staff or our supporters. We done boys, great team effort but let's continue this effort for the rest of the season.

U12/2 : Round 10

Opponent: Greystanes

Goals For: 1 Goals Against: 0

It was always going to be an interesting weekend of football given we played the last placed team Greystanes on Saturday and the competition leaders Castle Hill on Monday. I think the boys thought they just had to turn up on Saturday and take the 3 points but it doesn't work like that. We were slow to the ball and didn't mark up and we played the price constantly chasing the ball and tiring. Our defence was good with Darren filling in at sweeper doing a great job organising the defence and Brody playing hard and marking well not allowing Greystanes to shoot at goal. Good game by Kyle in goals with some good saves and a great goal by Nathan who ran all day and didn't stop trying. Outstanding game by Isaac who was creative in attack but we just couldn't convert. We have to be more consistent and play at the high standards we set ourselves and not be dictated by our opponents' standard. We knew we could play better than this and we did on Monday.

U12/2 : Round 11

Opponent: Merrylands SFC

Goals For: 4 Goals Against: 1

The weekend was important one as we looked to consolidate our place in the top 4. We started well controlling the ball and creating opportunities up front. Lachlan was outstanding today and a deserved man of the match. He never stopped trying and ran all day up and down the field and as a result was rewarded with 4 goals. Yes 4 goals. Well done Lachlan, but he couldn't have done it without the support of the team around him. Each week we are playing more confidently and it is showing in the team scoring goals and defending well. Importantly we are talking more to each other and working together as a team. Well done to all of you boys, keep working hard at training and putting in the effort on the field and the good results will continue.

U12/3 : Round 7

Opponent: North Rocks

Goals For: 0 Goals Against: 1

This was a game which we knew was going to be tough. North Rocks had only conceded 1 goal, during their previous match's, so we knew they were going to have a tough defence. This turned out to be correct, as wave after wave of Kellyville attack, and great on target strikes from Rahul & Michael, we couldn't convert any goals. We were even awarded a penalty, which was executed well, but kept out from a 1st class save. The boys worked hard, and played good football, and in my opinion didn't deserve to lose. But, football is football, and from a moment which we lacked in concentration North Rocks scored an easy goal. Well done to Jack, who received a "Man of the Match" award for his alertness in goal, and we all look forward to meeting North Rocks again. Well Done, Joe Coach

U12/3 : Round 10

Opponent: St. Josephs

Goals For: 4 Goals Against: 0

After 2/3 weeks rest, the boys needed to be alert. A full complement of players meant we needed to move players around, which did impact our structure, and discipline at times. This said, the boys worked hard, and when moving the ball around created many scoring chances. Michael got the 1st & 2nd goals, which were nicely crossed in by Rahul. Aiden knocked in our 3rd from an excellent run, and cool finish. Jordan, made a dash to the far post, and at full stretch tapped it in our 4th. We thought we had a 5th, when Alex from a run and a blistering strike, put another one away. Only to be told he was off side. Our defence, also kept strong, and through Jerome, Matthew & Rahul's interceptions in midfield, and hard work from Josh, Ethan, Mitchell, Lachlan & Jacob we kept a clean sheet. Adam and Jack (Goalies), didn't have it too easy, but looked ready to mop up any balls that got through. Well done to Aiden who received "Man of the Match". Good result boys. Joe Coach

U12/3 : Round 11

Opponent: Castle Hill United

Goals For: 2 Goals Against: 0

The second round of the season, and I can honestly say (unlike England's performance that morning), the boy's display of soccer was truly outstanding. They worked hard, were disciplined and displayed a coherent team focus. This said we were 0-0, at half time despite creating many opportunities, and Jerome's electric attacking runs on target. The second half came, and after a quick corner to Matthew from Rahul the ball was crossed in. Alex was ready, and with a nice volley knocked in our 1st. This settled the boys, and despite Castle Hill's attacks, and screams from some parents, our defence held strong. Our 2nd came from another classic strike from Michael, which was magical to watch as it went high, and just dropped in at the far post. It was a great team performance, but I must highlight, Matthew, who continues to lead his team on the field, and Rahul whose persistence kept control of midfield. Congratulations also must go to Alex, who received a "Man of the Match" award. Joe Coach

U12/4 : Round 10

Opponent: Baulkham Hills

Goals For: 1 Goals Against: 0

Yes, yes, yes. A very proud day for all, as we crossed the line with our first season win. Always a tight game, we took the lead when Vish followed up on Baileys' shot to rifle the ball into the net. The second half saw us pinned back for long periods, Cameron on the left was outstanding and Geoff again commanded the defence with aplomb, with great support from David, Paul and Alex. Many thanks to our two subs from 10/4's who held their own very well against the bigger lads. Man of the match - all 13 players.

U12/4 : Round 11

Opponent: Lidcombe Waratah

Goals For: 0 Goals Against: 4

Two games this weekend turned on dodgy penalties, one in South Africa and the other at Lidcombe. Top of the table Lidcombe were struggling to break our determined defence, with Geoff, Alex, Kristen, Paul, Lökkys 1 and 2 and especially Isaac outstanding. We were causing them problems, Freddy had a great chance to score after a brilliantly timed run, Kyle's powerful shooting was causing their keeper all sorts of issues and at half-time the score was tied.

The second half was going much the same way, when 10 minutes into the half, the ref blew for a penalty after an innocuous challenge from Lokky. Lidcombe scored, their confidence returned and we struggled to keep them in check. Further goals followed, but for 35 minutes we held the top of the league with comfort, it shows how far we have come. Man of the match Isaac.

U12 Girls/2 : Round 9

Opponent: Auburn FC

Goals For: 1 Goals Against: 0

Playing Auburn FC for the second time this season we were well matched and played a very tight game. We dominated possession and had a number of chances but some brave goal keeping and scrambling defence kept us at bay.

A free kick outside the box in the second half led to our goal. A big kick in from Taylor was deflected by the keeper but in the scramble that followed Roxy slotted in our goal.

A great game by all.

U12 Girls/2 : Round 10

Opponent: Castle Hill RSL

Goals For: 0 Goals Against: 4

After Saturdays great win, we faced the top of the table, Castle Hill RSL. On our last outing they beat us 13-0 but the girls played a great defensive game and managed to limit Castle Hill to just the 4 goals. Special mentions to Karlee, Taylor, Breeanna and Tiana who played exceptional games as our last line of defence.

U16 Girls/1 : Round 9

Opponent: North Rocks

Goals For: 2 Goals Against: 3

Well what a difference 24 hour makes. We had the bare 11 players today with Maddy helping out from the 14-2's (thanks Madds!). I had to ref and after the girls got over the shock of seeing me in ref's kit they proceeded to put in a fairly ordinary first half of football. Result 3-1 down at half time. The only bright spot was Maddy's great goal. After a few choice words from the ref?? at oranges, we looked much better in the 2nd half and won the half 1-0. Thanks also to Matt for helping out on the sideline, hope you enjoyed it mate!! Unfortunately overall down 3-2. I HATE PUBLIC HOLIDAY CATCH-UPS, and I'm sure the parents do as well. Bottom line we have lost to 2nd and 3rd now 3-2 and 1st 5-3 so we can't afford any more slip ups girls. You and I know you are as good (in fact better than) all of the teams in this league when we are on our game. Let's get back on our game this Sunday.

U16 Girls/1 : Round 10

Opponent: Auburn FC

Goals For: 7 Goals Against: 0

On the massive number 1 field at Girraween Park, the girls showed what they can do when they play as a team. Passing 8 out of 10, commitment in the challenges 10 out of 10, finishing 9 out of 10 (bad luck Aideen!!) teamwork 9 out of 10. Result, a dominant performance and a great TEAM win. Thanks T for going in goal and well done to Chloe on her half out of goals. A mention to Kiarah who scored a great goal as well. Also, the opposition was all pushing and elbows today but we took it on the chin and did not retaliate. We answered by putting the ball in the net 7 times. Well done girls.

U16 Girls/1 : Round 11

Opponent: Merrylands SFC

Goals For: 8 Goals Against: 2

Great performance by the team today. First half we let them get a couple of goals and it was 2-2 at half time. Second half we dominated from the whistle, they lost a couple of players through injury and we ran over the top of them towards the end. Everyone put in 100% today and although they are a physical team with some big girls we didn't back off in the tackles and competed very well. Seven games to go, we are not out of it yet girls.

AAL/3 : Round 9

Opponent: Wenty Waratah

Goals For: 5 Goals Against: 2

AWESOME performance today ladies and sadly our coach wasn't there to witness it! By far our best game to date and if we continue to play this kind of soccer, there is every chance we could still make the finals! After our disappointing result yesterday everyone was determined to put things right and that's exactly what we did 100%. Wenty who had been top for a while but recently slipped to third, appeared keen in the first half taking the lead twice but at half time, we were back at 2-2 giving ourselves every chance for the win. Oppy led the charge in the centre of the park with both her boot and chat and had everyone on their toes and in the right places! As the minutes passed in the second half, we rattled Wenty more with every goal, even to the point one of their players walked off the field with 20 minutes to go, threw her shirt on the floor and never returned!! The sniper made a comeback this week and got Liz with a good'un during her warm up routine, the title is all yours mate!

AAL/3 : Round 10

Opponent: Winston Hills

Goals For: 1 Goals Against: 4

Inspired by the start of the World Cup, we thought today was going to be one of our better performances, but Winsto had other ideas!

We were under pressure from the first kick of the game as Mel took 'one for the team' straight in the face and had to go off with a nose bleed. Winsto played the hoof it up and over the top tactics and with three very quick forwards, made us look very ordinary on occasions as they charged towards our goal. A very unlucky deflection gave them their first goal and from then on they looked dangerous on every break. Their fourth came from a penalty after a trip in the box that seemed to be the only way we could stop them!! Not a week to be volunteering for GK, so a huge thanks to Princess and Alyce for keeping it at four! Amongst the onslaught, Oppy scored a cracker from a superb tight angled cross by Jess D. Just one of those days when we weren't at our best and were beaten by a team that were! Bring on Wenty for the washed out game tomorrow!
